Wolverine CAG Mission:

- 1) ensure that the response activities at the Wolverine World Wide sites protect and sustainably restore the environment for human health, fish, wildlife, and recreation, through community participation; and
- 2) that important community concerns are articulated, understood, and considered during any related investigation and response action.

Wolverine CAG Groundrules:

- work cooperatively with each other, supporting agencies, and other stakeholders,
- be respectful of all participants,
- approach all issues and viewpoints with an open mind,
- focus on what is important to the community as a whole and articulate community concerns in a way that all stakeholders can understand,
- seek common ground wherever possible, and present and respect minority opinions where they exist
